Proposed Topics for Press Conference and Hearing Factsheets for FY17CJ.docx

Sven,

OW is starting to prepare for the FY17 budget hearings. Attached is our current draft list of topics for hearing and press conference fact sheets. Based on the water team's interactions with House T&I, Senate EPW as well as Senate and House approps Committee members, what additional topics do you think need to be addressed with a fact sheets? We have a brief meeting with Mike Shapiro to go over our preliminary list this Thursday at 3pm. It would be great if you and the team could take a quick look at this list and reply with any additional topics you think need to be addressed.

Thanks,

Greg
